

Solutions for Optical and Eyewear Retailers

Enhance store experiences from try-on to check out

PERSONALIZED

From product information to eye exams, engage customers at every touchpoint.

CONVENIENT

Reduce wait, perform services, and sell products with a single system.

SECURE

Protect, track and access locked merchandise in cabinets and drawers.

Design a personalized service to suit every customer.

POINT-OF-SALE SOLUTIONS

Provide endless opportunities to deliver meaningful and convenient customer experiences. From tablet protection and merchandise security to service interactions and configurable payment deployments, InVue's portfolio can be instantly added to any setting.

NE360

Award-winning mPOS system offers the freedom to choose any device, any payment terminal and any operating system.

CT80 & CT150

Portable all-in-one kiosk and tablet solution with flexible charging options, rapid mobility and lock-down support.

CT101

Rugged all-metal, universal tablet stand delivers power, security and mobility - ideal for high-speed, high-traffic environments.

ONEKEY KEEPS ASSOCIATES FOCUSED ON SERVICE, NOT SECURITY.

InVue's OneKEY ecosystem - a connected, store-wide, single-key access solution - improves service, enhances engagement and promotes safety.

Locked Access

SMART LOCKS

InVue's smart locks strengthen protection and track access to merchandise kept in cabinets and drawers.
