

Safer

# Fully visible. Fully secure.

Safers provide a secure enclosure for high value general merchandise that can be easily concealed and stolen. Designed for shelved or hanging merchandise, Safers offer full product visibility while protecting merchandise in a fully

enclosed housing with the security of OneKEY. The Safers cannot be defeated by magnets and hang tabs add additional security layers when used with InVue secure fixtures.

Safers are part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
